

WHITE LITHIUM GREASE

WHITE MULTI-PURPOSE GREASE

A PRODUCT OF LUBRICATING SPECIALTIES COMPANY

Product Description

WHITE LITHIUM GREASE is a creamy-white lubricant made with high quality base oil, lithium soap and non-abrasive basic oxides. Mild EP anti-wear additives provide additional protection and longer bearing life.

It has excellent pumpability characteristics, good shear stability, and does not harden or soften readily under moderately high temperature.

Applications & Uses:

- Recommended for lubrication of plain and antifriction bearings under moderate load conditions.
- Used in the lubrication of all types of automotive equipment, trucks, tractors and contractor equipment.
- Commonly used in food processing plants where there is a decided preference for white colored grease.

Features & Benefits:

- One grease for many applications.
- Good pumpability at low temperatures.
- Will operate at high temperatures.
- Meets customers preference for White Grease.

Typical Test Data

TEST, NLGI GRADE	ASTM	1	2
Penetration @ 77° F.	D-217	315-335	270-290
Dropping Point, °F.	D-2265	380	390
Soap Type	----	Li12HSA	Li12HSA
Color	----	White	White
Appearance	----	Buttery	Buttery
Filler	D-2509	Titanium Dioxide	Titanium Dioxide
Base Oil Viscosity:			
cSt. @ 40°C.	D-445	68	68
cSt. @ 100°C.	D-445	10.0	10.0

* CONTAINS HIGH PERFORMANCE ADDITIVE CHEMISTRY.
VALUES SHOWN HERE ARE TYPICAL AND MAY VARY.
